HeatMate™

Portable Kerosene Heaters that Deliver Performance and Value!

SENGOKU

Indoor Home Heat

As energy costs sky rocket and temperatures plunge, HeatMate heaters provide an economical alternative way to zone heat your home or other indoor space.

Emergency Heat or Temporary Heat

HeatMate heaters are self contained and operate without the need for electrical power. Combined with portability and ease of use this makes Heat Mate heaters an excellent solution to your emergency heating needs.

Machine Shed or Garage

Don't sacrifice comfort when working in hard to heat spaces! HeatMate portable heaters offer 3 models with heat output from 10,000 BTU to 23,000 BTU that provide warmth and comfort even in the coldest indoor spaces.
