KeroHeat™

Portable Kerosene Heaters that Deliver Performance and Value!

SENGOKU

Indoor Home Heat

As energy costs sky rocket and temperatures plunge, KeroHeat heaters provide an economical alternative way to zone heat your home or other indoor space.

Emergency Heat or Temporary Heat

KeroHeat heaters are self contained and operate without the need for electrical power. Combined with portability and ease of use this makes KeroHeat heaters an excellent solution to your emergency heating needs.

Machine Shed or Garage

Don't sacrifice comfort when working in hard to heat spaces! KeroHeat portable heaters offer 10,000 BTU and 23,000 BTU models that provide warmth and comfort even in the coldest indoor spaces.
